

Client Consent- Photos and Testimonial

I give my permission and consent to The Private Collection, LLC to take before and after photos of my home, including the interior and exterior. I agree that the photos may be used by The Private Collection, LLC for certain marketing purposes such as being posted on the company's website and other promotional and general marketing materials, provided that my full name is not identified with any of the photos. I do agree that you may use my first name and my location.

If I decide to provide a written testimonial, The Private Collection, LLC may use or publish it for the same marketing purposes as stated above.
